Managers' Notes

Good afternoon and welcome to the Theatre of Trees for this Southern Combination Premier League game. Today we host the players management and supporters of Crowborough and of course our match officials. We hope they all enjoy our hospitality. Crowborough have been one of the leading teams in the Premier in recent years and have come close to promotion to step 4 so will provide a very tough challenge for us this afternoon.

We were disappointed with our first half against Hassocks and you can't start like we did against the league leaders, as they were then, and expect to get away with it. The second half was much more like us and we should really have got a couple of goals back. So it was important that we reacted in the right way against Shoreham last Saturday.

Jordan Mase gave us the perfect start and although we occasionally took our foot off the gas, Deven Fender's goal looked like giving us a two goal lead at half time. But one bit of sloppy play on the edge of the box saw us pegged back to 2-1

The second half was a bit scrappy on a difficult surface but we controlled most of it and when Cavan Chedzy came on to smash the ball into the top corner with his first touch as a Boar, the game was safe. Cavan then headed the ball down for Tom Tolfrey to complete the scoring. Danny Pappoe was awarded man of the match in his first appearance and his experience could be very valuable this season.

Enjoy the game
Jack and Jimmy

VISITORS

Crowborough Athletic FC, established in 1894 as a sporting extension of the local athletics club, has a fascinating history intertwined with the community. Initially sharing their name with a cricketing section, the club soon found its footballing identity and joined the Crowborough & District League (CDL) and the Sussex County FA in 1896. Over the years, Crowborough Athletic FC showcased impressive performances in local leagues and competitions like the Humble-Crofts Cup and the George Dodd Memorial Trophy. They moved from various locations within the town before settling at the Alderbrook Playing Fields in 1953, thanks to the generous contribution of Mr. George Watson. The 1970s brought the club to the prestigious Sussex County Football League (SCFL), where they experienced ups and downs but consistently displayed determination. The 2003/04 season marked a turning point, with a promotion to Division 2 and a Division 3 Cup victory. The subsequent years saw continuous growth, culminating in a historic promotion to the Ryman Isthmian League, Division 1, in the 2007/08 season. Despite challenges, Crowborough Athletic FC's resilience remained steadfast, and they eventually returned to the SCFL Division 1 after one season in the Ryman Isthmian League. Their transition to the Southern Counties East Football League (SCEFL) in 2014 introduced new competition, where the club continued to progress. The 2016/17 season saw an outstanding 32-game unbeaten run, nearly earning promotion to the Ryman Isthmian League. Though they missed out on promotion, the Crows continued their upward trajectory, finishing third in the 2017/18 season. Amidst challenges in subsequent seasons, including the impact of the global pandemic in 2019/20, the club remained proactive in ensuring the sustainability of football at the Crowborough Community Stadium. Major groundworks and new LED floodlights were installed through grants from the Football Foundation. In the 2021/22 season, Crowborough Athletic FC focused on developing pathways from youth to senior football, achieving a commendable 10th place finish in the league and reaching the League Cup final.

At the end of the season, they were moved back to the Southern Combination Football League (SCFL) by the FA. In the 2022/23 season, the club continued its progress, finishing 6th and reaching the Peter Bentley Challenge Cup final. In season 2023/24 further progress resulted in reaching the play-offs (finishing 3rd in league) and again reaching the Peter Bentley Challenge Cup final (losing to a 94th minute winner from the League Champions). As the 2024/25 season begins, the team is rebuilding as it deals with staff and player retirements, players departing for football at higher levels and players making decisions to improve their circumstances. None of which is new or unique and the club will continue to set new targets to achieve.

Thank you to all our fellow Football Clubs and all the individuals who supported our ride and donated to the fund. We were blown away by the positivity around it and the effort that so many clubs made to receive us and give us a helping hand in the ride - helping Kelvin and raising awareness of bowel cancer. No matter what happens on the pitch, the football family is full of wonderful people.
