Managers' Notes

Hello and welcome to the Theatre of Trees. Today we host the players, management, officials and supporters of Pagham FC as well as our match officials.

We also have the great pleasure of welcoming our friends from the Premier League and there is coverage of this later in the programme. We hope you all enjoy our hospitality.

We had hoped that we had come out of our dip in form with the win over Loxwood but unfortunately we went to Midhurst with several players missing or not match fit and did not rise to the challenge and were beaten 2-0. So today's game becomes possibly even more important although in truth each of our last 8 games are going to be like cup finals.

Hope fully we will have some of the 6 absentees from the Midhurst game back in action today although Danny Pappoe did pick up a knock on Tuesday. Pagham have recently beaten Eastbourne United and narrowly lost to Crawley Down despite playing much of the match with ten men so will provide tough opposition.

However a place in the play offs is still more or less in our own hands so please get behind the boys and help us to another 3 points.

Enjoy the game

Jack and Jimmy

TODAY'S

VISITORS

Formed in 1903, Pagham FC had no ground of their own to start with and played in various farmers' fields until 1950 when they were given a spare field at the far end of the cricket club in Nyetimber Lane to use permanently. The club joined the Sussex County League Division Two in 1970 and they were almost promoted at the first attempt, but after finishing third for two successive seasons a downward spiral set in and ended with the club having to apply for re-election to the league in 1977.

Following the rebuilding of the team in 1978, the club finished third, but the year after they won the Division Two Championship. Two years later the Division One Championship was added but sadly relegation followed in 1984.

1987 saw the lions win the second division title and this was followed by back to back First Division league titles in 1988 and 1989. In 1989 the club also won the RUR cup under manager Dave Kew. Unfortunately, there was no escaping relegation in the 2004/05 season as the Lions dropped back into division 2, but in 06/07 they roared back to the top flight as champions.

The 2014/15 season saw a new era at the club with Tony Shea, having taken over as chairman, teaming up with the return of Gary Block and Dave Berkowitz to push the club to new heights, with the club eventually finishing 3rd. 2015/16 started with a new boss in Jon Tucker.

The 2015/2016 season began in storming style, but after some early season excellent results, several disappointing performances towards and over Christmas cost Tucker his job. In came the management duo of Mark Bennett and Richie Hellen who helped them to finish 6th in the newly named Southern Combination League.

2016/17 dawned with considerable hope for first team success and the first piece of silverware for almost 30 years came to Nyetimber Lane when the Peter Bentley cup was won. The game was the last in charge for Mark Bennett who was replaced by a joint management team of Richie Hellen and former under 21 team manager Tom Simmonds.

The 2017/18 season started in excellent style with some memorable cup wins, including a re-appearance in the RUR cup final and that went along with a good run of league results that ended with the club finishing third in the league.

2018/19 started with a magnificent unbeaten run of 15 league games and ended with a horrendous run of 2 wins in 22 matches, losing all of the last 9 but as with the following season 2021/22, it all ended in anti-climax when both seasons were cut short by covid.

At the conclusion of the season, Chairman Tony Shea stepped down and was replaced at the helm, eventually, by Marc Hilton who also retained his position as Club Secretary. When first team manager Kerry Hardwell resigned in August 2023, he was replaced at the helm by previous coach Ryan Pharo. After a poor season Pagham were moved sideways from the SCFL to the Wessex League and a disastrous season followed under new manager Derek Chester, ending in relegation. Fortunately for the club, they were moved back to the SCFL and at the last moment reprieved from relegation to take their place in the Premier Division under yet another manager, Jason Mines. A tremendous effort by all concerned ended with the club finishing in mid-table despite starting the season with hardly any players. The clubs first silverware for several years also arrived with the success of the club's Under 23 side who won their league in dramatic fashion.

2024/25 promises big things for the club with the setting-up of a major youth system and the repatriation of the Ladies team to the main club. Jason Mines continues running the first team and hopes are high of reclaiming a place in the higher echelons of the league table.

Now celebrating its 25th anniversary, the Premier League Stadium Fund has supplied more than £207m since 2000, to upgrade infrastructure at more than 1,000 men's and women's clubs throughout the English Football League, National League and football pyramid.

Roffey FC have received funding totalling £50,000 for ground improvements including a new stand and floodlight system, with additional funding approved to convert the lights to energy-efficient LED ones.

The Premier League is investing £1.6bn into football and communities throughout England and Wales between 2022 and 2025.

Today they are visiting The Theatre of Trees with the famous Premier League Trophy which has been lifted by some of the greatest footballers in history. Today you can have your picture taken alongside this iconic piece of silverware before the game or at half time.

BOARS BACK ON THE WINNING TRAIL

ROFFEY 2 – 0 LOXWOOD

Roffey welcomed Loxwood to the Theatre of Trees looking to overcome a dip in form which had seen them pick up just one point from the last nine. Dan Pearse returned to the starting line up. Tom Tolfrey and Danny Pappoe made the bench after injury. Terrell Joseph is back in training but not yet ready for a return. Club captain Ricardo Fernandes was unavailable.

The afternoon did not start well as vice captain Shaun Findlay pulled out during the warm up with a back twinge so Dan Pearse took over the armband as Roffey made a fast start and pinned the visitors into their own half. A dangerous free kick from Josh Neathey was cleared at the near post but the home side were quickly regaining possession and on fourteen minutes top scorer Jordan Mase beat his man just inside the area and smashed home the opener.

The young visitors were working hard to keep the Boars at bay and their front players played some good stuff without getting the final ball right. But coming up to the half hour Mase doubled the lead latching on to a free kick into the box and giving Raff Pearce in the visitors goal no chance. HT 2-0

The second half started in the same fashion and Roffey could have been out of sight but Alex Barbary, Mase, Devon Fender, Dan Pearse and Neathey all went close, but Loxwood's keeper was not to be beaten again and produce several excellent saves. Both teams made substitutions and Loxwood could have pulled one back when Monty Watson-Price was forced to dive full stretch to his left and somehow get the ball up and over the bar. On a sticky pitch the game rather petered out with Roffey ensuring they picked up an important three points in the race for promotion to the Isthmian League.
